- ❖ There would be no break for final year batches of UG and PG programmes in the month of March 2022 to ensure that they are able to complete their course work and graduate in sync with academic calendar.
- ❖ There would be a break for students moving from UG 3rd to 4th Semester, from March 6th to April 11th 2022.
- ❖ This is proposed to bring the UG 1st and 2nd year batches into alignment so as to minimize complications for course registration, ERP, repeating students etc.
