Shyam Menon
Vice Chancellor, AUD

Akha Kaihrii Mao
Dean (Officiating)
School of Vocational Studies

School of Vocational Studies

The School of Vocational Studies (SVS), as envisaged, has explored and developed programmes and courses that will provide students with the required academic background and skill-set for meaningful employment once they graduate from the programme. It is hoped that these programmes would enable many of the students to become self-employed, entrepreneurs, creators and generators of job for themselves and for many more educated youth in the society. SVS aims to bridge the gap between the skill-profiles of the graduates and those that are required by the industries in the job market. It hopes to create a community of professionals with skills and sound awareness of their social-world.

The BVoc programmes offered by the SVS, AUD, Karampura Campus, are unique because the curriculum for each vocational programme has been designed in close partnership with industry experts, sector skill councils and academicians from well-known institutions. The curricula of the programmes have been designed keeping in mind the current trends as well as the future scenario to ensure that the programmes are dynamic and relevant for its main purposes — employability and entrepreneurship. A conscious decision was made to ensure that the students are provided an opportunity to enter job-market from Semester 1 onwards based on the demands of the respective verticals, which is also a UGC criterion. The programmes follow the broad guidelines of UGC and The National Skill Qualification Framework (NSQF).

The vocational programmes offered by SVS during 2017-18 are:

- i. Tourism and Hospitality (T&H)
- ii. Retail Management (RM)
- iii. Early Childhood Centre Management and Entrepreneurship (ECCME)
