**Sub: Submission of Academic Bank of Credit Id (ABC) compulsorily for students at the time of Registration. – Reg**

\*\*\*

The University has taken a decision to ensure that all its current students are registered on the Academic Bank of Credits and to record their ABC ids in their ERP profiles. The AES Division has communicated the same to students and many students have registered on the ABC and communicated their Ids to the AES Division.

However, there still remain students who have not registered so far. Therefore, to ensure 100% registration on ABC, Schools must compulsorily require students to submit a printout from the ABC site showing their ABC id along with their course registration form at the time for registration in the Winter Semester 2022-23.

Further, the School concerned will submit all the ABC IDs in Excel format to be provided by the AES Division, duly verified by the program coordinator, to the AES division to ensure mapping of ABC Ids of Students with their ERP Profile.

This issues with the prior approval of the competent authority.
