Dear Suchitra

We held a JDH editorial board meeting last week and, as the Chair of the board, I'm happy to report that everyone was very pleased to welcome you to the Advisory Board.

As I mentioned to you earlier we are hoping that you will be able to attend the DHS annual conference in Oslo in early September this year (for details see DHS website). To this end I am pleased to say that the Society is able to fund your conference fee and your accommodation. We hope that your institution can cover the balance of the funds needed to attend. Please let us know if there any difficulties in this respect. Please also let me know if you will be attending so that I can let the conference organiser know. We would probably like to call on you to act as chair of a session.

We are also planning to hold a get-together of the Trustees, the EB and the AB at the conference. This is most likely to be held on the afternoon/evening of the 6th, but that will be confirmed later.

I am looking forward to working with you. We will certainly be asking you to review potential journal articles from time to time and we hope that you will be able to undertake that work for us.

Looking forward to seeing you

best wishes

Penny
