Dear Dr. Dar:

It gives me great pleasure to invite you to join Indiana University as a visiting scholar from July 23, 2018, to August 17, 2018. During your stay, you will be affiliated with the Department of Geography in the College of Arts and Sciences, and you will be hosted by Assistant Professor Ishan Ashutosh (campus address: Student Building, Rm 120; email: ishutos@indiana.edu; phone: +1-812-855-6303; fax: +1-812-855-1661).

As a visiting scholar, you will receive the following from Indiana University:

- A per diem of \$20 to cover meals and incidental expenses (approximately \$600 per month);
- On-campus accommodations for the duration of your stay (valued at approximately \$1,200); and
- Enrollment in Indiana University's health insurance program for international visitors (estimated cost \$150 per month) that provides partial coverage for accidents and illnesses during the exchange period.

The total value of support from Indiana University including stipend, housing, and insurance for the duration of your visit will be equivalent to \$1,950 USD.

On the first business day after you arrive on campus, you should plan to meet with my staff to complete the required document check (passport with visa, DS-2019 with entry stamp) and obtain your university ID card and bus pass. At that time, you will also be scheduled for a mandatory orientation session with our Office of International Services.

Please let me know if there is any way my office may be of help to you prior to your arrival.

Sincerely,

A handwritten signature in black ink that reads "David Zaret".
