Dear Professor Mao,

On behalf of the Florida State University's Learning Systems Institute and Santa Fe College I would like to congratulate you on your selection as a participant in the 2015 Community College Administrators Program with India to be held September 19 to November 1, 2015 in Tallahassee and Gainesville, Florida. Faculty and staff of the Florida State University (FSU) and Santa Fe College have organized a highly informative series of seminars, meetings, and site visits specifically designed to familiarize you with the mission, organization, administration and function of U.S. community colleges. These activities are intended to equip you with knowledge and skills that will be useful to you in your role in the development of community colleges in India.

The Community College Administrator Program with India is a six-week program of study for Indian officials with higher education planning responsibilities and administrators from post-secondary vocational and technical institutions in India. Funded by the U.S. Department of State's Bureau of Educational and Cultural Affairs, and implemented by the Florida State University and Santa Fe College, the exchange program will consist of a one-week Executive Dialogue and a five-week Community College Seminar. Fourteen Indian administrators from post-secondary vocational and technical institutions and officials with higher education planning responsibilities in key elements of community college leadership have been selected for the full six-week program. Four high-level Indian higher education officials will join this group of fourteen at the start of the program for the one-week Executive Dialogue.

In the coming weeks you will receive a statement of Terms and Conditions of Award and pre-arrival information from the FSU Center for Global Engagement. Please review these documents carefully and complete and sign the accompanying forms. Retain one copy for your records and return a second signed copy to the Florida State University Learning Systems Institute.

Once again, congratulations! We look forward to welcoming you to Tallahassee on September 19 for the start of a stimulating program of study.

Sincerely,
